Kenwick Place Homeowners Association

LANDSCAPING CHANGE REQUEST

There is much to consider when it comes to owners making changes to their homes or units. The HOA needs to ensure all such removal, additions or changes conform to the character and quality of the community and that they are done in a professional manner. Of particular importance is that maintenance, repair and overall responsibility for any landscaping installed/modified by the Lot Owner remain with the Lot Owner. Please allow up to 60 days for approval.
